

To All SABOA Members

I would like to send a thank-you out to all of the members of the S.A.B.O.A. for the past 14 years. It has been a pleasure for me to meet all of you and to referee with most of you. For those of you that have not heard, effective March 17, 2003 I will be taking over the Management duties for the United Farmers of Alberta Farm Store in Trochu. This is a huge promotion and step for me, as I will be leaving the area that I grew up in. I am looking forward to this new challenge and hope that some day I will be able to return to the south and to SABOA.

I will be leaving with a ton of memories from all of you, and hope that from time to time I can come to visit and be apart of many more great times. I will remember the trips to the Hat, the laughs at the Bar-B-Que, and the stories at Bullies.

I hope to continue reffing in Trochu, as well hook up with the guys out of Red Deer for some College games, and if every thing goes well continue on the Canada West Panel. Oh, and I will definitely forward my phone number for the busy weekends for SABOA.

As you can see, I am not one to have a lot of words, but these ones are for sure. I will miss all of you, as you have become part of my family. I hope to see as many of you as I can before the end of the season, and it is my to attend the Bar-B-Que, to see the rest. For those that I do not catch up to, It has been a blast. Best of luck, and if you ever happen to stumble into Trochu, give me a call!

All of my Best,
Darrel Knight
