Intermediate: Under 17 years of age before September 1st of 2010
Senior: Under 19 years of age before September 1st of 2010

ZONE TOURNAMENT PARAMETERS - Preliminary Round

Preliminary Elimination tournament schedule will be set up by the tournament host coach using the following parameters:

- A. 1 - 5 entrants; one pool, single round robin schedule (single game match)
Games to 21 points. Must win by 2 – cap at 30 points.

Preliminary final; 2nd vs. 1st, best of three up to 21 points. Must win by 2 – cap at 30 points.

- B. 6 or more entrants; two pools, single round robin schedule (single game match)
Games to 21 points; Must win by 2 – cap at 30 points

Semi-finals - pools cross over

2nd vs. 1st

Best of three up to 21 points

1st vs. 2nd

Two winners advance to the preliminary finals. Best of three up to 21 points. Must win by 2 – cap at 30 points

Note: there is no option like the old "setting" – the extended game automatically comes into play at 20 all.

Tie breaks: (same as Provincials)

- i) All two way ties for 1st and 2nd place in the round robin will be determined by the result of the match between the two tied players/teams.
- ii) In a three way tie for 1st place, the players/teams will be ranked 1,2 and 3 based first on games won minus games lost and second on points won minus points lost. The 2nd and 3rd ranked players/teams will play one game to 21 points to determine second place in the round robin.
- iii) In a three way tie for second place, the players will be ranked 1, 2, and 3 as described in ii above. The seconded and third ranked players will play one game to 21 points to determine who will play the first ranked player/team in one game to 21 points that will then determine 2nd place in the round robin.

To determine the top team in each pool(s), players/teams play each other's team in their pool one game up to 21 points. Must win by 2 – cap at 30 points.

Note: The final best of three match must always be played to determine the number 1 team (even if the two teams which advance to the final are from the same pool in the preliminary round). The results from the preliminary round are only used to determine which teams advance to the semi-finals.

ZONE FINAL PARAMETERS

Metro League vs. Edmonton Public

Top team (**doubles and mixed**) from each preliminary site advance to the Zone Final;

Top two players (**singles competition**) from each preliminary site advance to Zone Final;

Singles Competition:

Metro #2 vs. Edmonton Public #1

Metro #1 vs. Edmonton Public #2

Note: If both number ones win, another match has to be played to determine #1 and #2 ranked players from the Edmonton Zone. If both teams come from the same league, the preliminary final result will be used to determine #1 and #2.

All Zone Final matches are best of three up to 21 points. Must win by 2 – cap at 30.

Note: In singles competition, the top two advance to the Provincials, in Doubles and Mixed competition, the top team only advances.

Singles: There should be a playoff for 3rd and 4th positions in the event the top team(s) cannot attend Provincials. If your team(s) cannot attend Provincials they should not be involved in the elimination tournament.
