

**Dream Received April 1997 by Dumitru Duduman
and the Interpretation that God has given me, Thomas S. Gibson**

The following dream was received by Dumitru Duduman about a month before his death:

I knelt beside my bed to pray, as I do every night before going to sleep. After finishing my prayer, I opened my eyes but I was no longer in my room. Instead, I found myself in a forest.

I looked around and to my right I saw a man, dresses in white, who pointed his finger and said, "See and remember."

It took me a while to find what he was pointing at. It was a small bear who seemed half dead lying on the ground. As I continued to watch this bear, it began to breathe deeper. With every passing minute it seemed to revive itself, and, as I watched, it also became angrier.

It then began to grow. Soon it was larger than the forest floor and as it grew larger it continued to become angrier. It then began to paw the ground, so that when its paw would bit the ground, the earth would shudder.

The bear continued to devastate all that stood in its path until it came upon some men with sticks trying to fend it off. By this time the bear had grown so large that it simply crushed the men underfoot and continued its rampage.

I was stunned by what I saw and asked the man standing beside me, "What does this mean?"

"At first, they thought the great bear was dead," the man said, "As it will begin to stir once again, they will consider it harmless. Suddenly it will grow strong once more with purpose and violence. God will blind the eyes of those that continue to trample on the sacrifice of Christ's blood, until the day the bear will strike swiftly. This day will catch them unprepared and it will be just as you saw."

The man said, "Tell My people the days are numbered and the sentence has been passed. If they will seek My face and walk in righteousness before Me, I will open their eyes that they may see the danger approach. If they only look to the approaching danger, they too will be caught up and trampled underfoot. Only in righteousness will they find safety."

Suddenly, I was once again by myself in my room, on my knees, with sweat covering my face.

April 1997 Duduman Dream: Interpretation Through Thomas S. Gibson

Interpretation that God gave me:

The first part of the interpretation that God gave me is that the bear is Russia. (See related article "Prophetic Comparison of Daniel 7, Zechariah 6, Revelation 6" on my web site at: <http://www.telusplanet.net/public/tsgibson/propheticword.html>)

The bear look dead and harmless, but will arise again!

The men with sticks trying to fend off the bear is The United States *and its allies*. The Lord here emphasised to me "and its allies."

In the last part we see that God will blind the eyes of those people and nations who have left God's ways. They will be unprepared for Russia's rise again to power and its renewed strength. When Russia does strike, it will come as a complete surprise.

It is only by repentance and righteousness that we can find safety and protection against the renewed strength in Russia. Yet we find that The United States of America has slacked off in its defenses against Russia. It has decided that the bear is dead, or at least so powerless that it is harmless.

This mistake will be its downfall at sometime in the future. How soon I do not know. The Lord has not revealed this to me yet. But it will come unless there is serious repentance and turning to righteousness.
